Cultural Aspects

Dear Family:

We are learning about the people, handicrafts, environment, and the flora and fauna of Latin America. Parents and families are a great source of cultural knowledge. We hope that you will talk with your child about your family's place of origin, or about a country you have visited. Focus on the cultural aspects of that place, and help your child to fill in the table below.

<p>The name of the place is:</p> <p>_____.</p> <p>The environment in that region is:</p> <p>_____</p> <p>_____.</p> <p>Some animals and plants that are in that region are: _____</p> <p>_____</p> <p>_____.</p>	<h3>Drawing of the Region</h3>
--	--------------------------------

- Describe a handicraft, work of art, or object typical of this region. What is it? What is it made out of? What is it used for? Does it have a special significance for you? (Or describe a photo of the region, where and when it was taken, and why you traveled to that place.)

- Will you allow your child to bring the object or photo to school to show and tell about it in class?

Yes _____

No _____

Signature _____
